

Flying Deer Nature Center's 3rd Annual Polar Plunge

Sunday, February 11, 2018

Dear Sponsor:

We can't thank you enough for supporting this Plunger's enthusiasm and commitment, and the work of Flying Deer. We have a dedicated community that surrounds and supports us and we welcome you with open arms. Your donation not only feeds the spirit of this Plunger but also helps Flying Deer reach farther into surrounding communities to connect more people to the natural world. This is vital work for the health of our people and the Earth. Thank You! Here's how it works:

The Plunger asked you to sponsor them the \$20 (or more) to take the dip. You said, "YES, of course I will!" **It will be the responsibility of the Plunger to take the plunge and get it recorded and/or photographed so you can see the evidence!** Plungers have been instructed to keep impeccable records of their sponsors and the monetary donations that have been made. There are a few ways you can make this pledge:

1. Go to our website and follow the links to the Polar Plunge event page (Under Featured Events in the main menu) or the Donate page. Be sure to make a note in the space provided that your donation is for the Plunge "in honor of" your Plunger. flyingdeernaturecenter.org
2. Write a check to Flying Deer Nature Center and, in the memo, write Polar Plunge and the name of the Plunger you're sponsoring.
3. Make a cash donation.

You can give your cash or check directly to your Plunger or mail it to Flying Deer Nature Center (just be sure to let your Plunger know you've done so). Our address is 5 Abode Rd., New Lebanon, NY 12125. **Remember, Flying Deer is a nonprofit 501c3, so all your donations are tax deductible.**

We look forward to a fun, exciting and successful Polar Plunge for everyone. Thank you for being a part of this celebration!

With love and gratitude,

The Flying Deer Board of Directors
