

FLYING DEER NATURE CENTER

2023 Annual Report SEPTEMBER 2022–AUGUST 2023

Here's a look at the growth that has been made possible by your generosity.

200

pollinator plants, 85 native fruit and nut trees, and 2 school gardens planted

175

children and adults learned about Mohican culture directly from Stockbridge-Munsee Mohican teachers

24

community partnerships, which allowed us to bring immersive nature programming to:

- Preschoolers in Harlem (Morningside PlayCare)
- Hudson City School students (Hudson Youth Program)
- Children of incarcerated caregivers (Greater Hudson Promise Neighborhood)
- Recent immigrants to the Berkshires (Volunteers in Medicine)
- And hundreds more children

71,619

hours of transformational outdoor programming for 1,754 children aged 4–17

1,680

hours of staff training to expand instructors' capacity to guide children from diverse backgrounds
